INSTALLATION

- Remove the bracket's **3M Tape**.
- Stick the bracket on the rear side of your Sensor and then place it on your preferred spot to check the temperature & humidity variations.

ADDING TEMP & HUMIDITY SENSOR TO YOUR HOME

- Open the Hogar SE App and go to **"Rooms"**.
- Click on **"+"** Button and select **"Temperature & Humidity Sensor"**. Follow the prompts on your APP for subsequent steps.
- Open the back cover of your Temp & Humidity Sensor by turning the clasp position as shown below & remove the battery insulation strip.
- To **POWER ON** the Temp & Humidity Sensor, **Press and Hold** the button for 5 seconds.

- You will soon see the **SIGNAL** icon on the display screen of Temp & Humidity Sensor flashing that indicates it has entered into **Enrolling Mode**.
- Click **"Confirm Indicator Rapidly Blink"** on your Hogar SE App.

Reset the device first.
Power on and confirm
The signal icon flashes quickly

Resetting Devices >

Confirmation signal icon rapidly blink

- Your Temperature & Humidity Sensor is now successfully added to your Hogar SE App.
